NON-CONFIDENTIAL SUMMARIES OF THE APPROVED UNIVERSAL SERVICE PLANS

List of Designated Universal Service Providers and Universal Service Targets

| | | | | |
|---|----------------|--|---|------------------------------------|
| 1 | TIME 3 Program | <p>Time 3 program is targeted at extreme rural villages and areas with the population density of below 80 persons per square kilometers. Key target areas include Felda, Felcra, plantations, Orang Asli settlements, new tourist locations, and significant federal highways.</p> <p>The scope of work is divided into two parts. Part 1 concerns installation of network facilities (tower and infrastructure) and Part 2 is the provision of network services (electronics) related to public cellular service. The USP Fund contributes a total of 1,000 sites located across 155 USP areas in three phases.</p> | <p>Phase 1= Completed: 127 sites</p> <p>Phase 2= Completed: 537 sites</p> | Refer Appendix 1; page 3 |
